The Senior Class of 1980 soon realized that they had many responsibilities. "Senior" did not mean goofing off and skipping school; it meant that it was time to plan our future and work hard. The Senior Class planned and put together the football & basketball homecomings; they also organized a memorable graduation.

Looking back over the season of '79, there are many things to be proud of. Though the record may not show it, the players and fans will recall the closeness of many of the games and the effort put forth. The numbers again were small, but there was a large amount of spirit on the team. This year's seniors were a good group of guys, and their presence will be missed.

Golf in 1979 found six fine golfers and a person in charge that brought them together about one week before school started. Our goal was to win, have fun, and get an education out of meeting some of the best people in the county. This is just what happened. Our season was 9 wins, 6 losses. We finished 2nd in Tri-County, and 5th in the sectional meet. Four members of this fine team will leave us this year, and they can never be replaced because the personality of this team was the greatest. —

On September 28, 1979, Tammy Smith was crowned the 1979 Football Homecoming Queen by our reigning Queen, Nancy Young. Although the weather was not as nice as we would have liked it to have been, the rain did not dampen our spirits and the team went on to play a worthy game for the newly crowned Queen.

The dance featured Wingborne.

PLAYED ON!!!

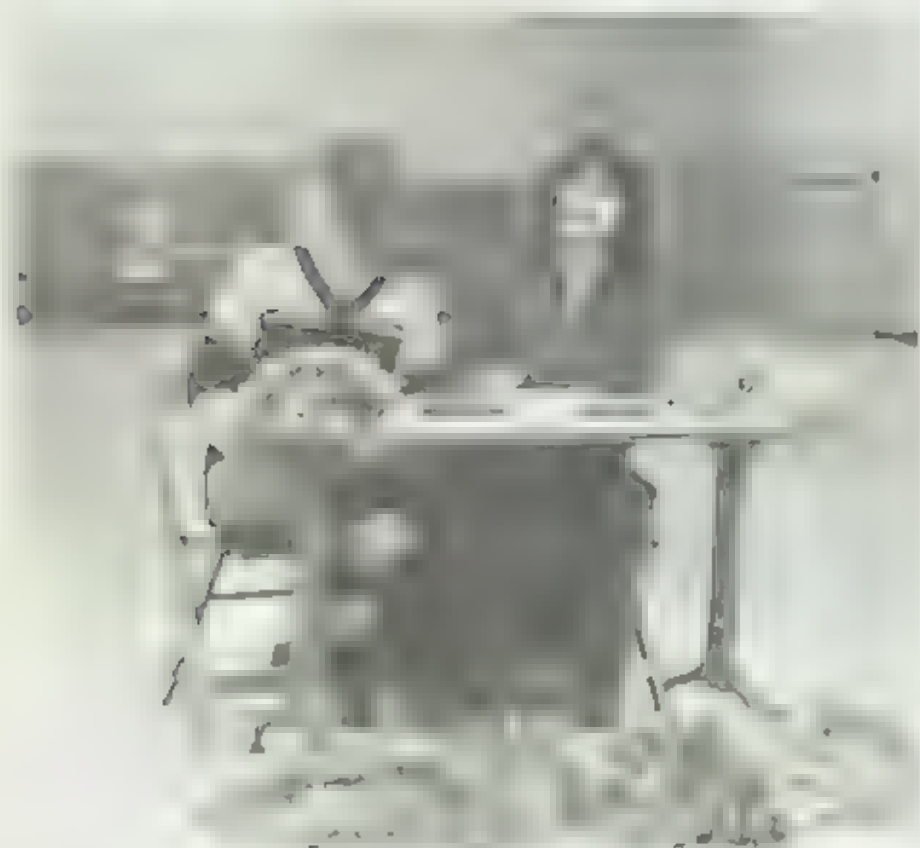

The 1979-80 Crestview Marching season began in August when the band performed at the Columbiana County Fair. As usual, it performed at half-time of the Friday night football games, providing classy entertainment in front of the crowd. When the band wasn't marching, it kept the Rebel spirit drive alive. The band also appeared at the Band-a-Rama held at Leetonia in October.

The main goal for Rebel basketball was to establish a **POSITIVE MENTAL ATTITUDE**. This starts with perfection by enthusiastically promoting our program. We feel we got off to a good start by posting a 14-7 season, one of the best records in the last 18 years. The coaching staff from the 7th, 8th, 9th, and JV's all had winning seasons and we got along just like a family. The high points that we had go along with the way we enjoyed the season together.

SENIOR: Val Lanterman.

The 1979-80 cheerleaders had a very successful season. They spent the summer months raising money for Cheerleading Camp by organizing a Rock-a-Thon. The cheerleaders learned and accomplished new things at camp and returned home as winners of the spirit stick. The spirit at CHS was kept alive this year and all of the cheerleaders would like to express their thanks to the Spirit Committee for all of their help.

The 1979-80 Prom was a great success. Everyone enjoyed themselves as they dined and danced at the Red Wind Banquet Room at Pittsburgh Airport. This was the first year that Crestview High School Seniors organized their very own hockey team. The two teams were called the Bigfoots and the Yettes. The Yettes record was 3 wins 0 losses and 1 tie. The Bigfoots 0 wins 3 losses and 1 tie. The two teams played at Tom Vargo's lake. Due to bad weather there were a lot of games postponed. The teams played very hard and enjoyed the great outdoors. Over all the Hockey teams season was a bug success, and we hope to see them at the 1984 Olympics!

The Home Ec. Club is brand new this school year. Our main service project was to buy a microwave oven for the home ec. room. to raise the money, we sponsored a cookbook sale and bake sale.

We are a service club but it has not been all work. We have had some fun times, too. Next year we hope to affiliate with the FHA and enter the County and State activities.

The Spanish had a bake sale, Valentines Dance, and a M&M sale to raise money this year. The annual Spanish Banquet was held May 10, 1980, honoring the graduating seniors and Mothers for Mothers Day. The Seniors were presented pins, and the Mothers were presented carnations. Highlights of the year were the Christmas Party with all the pinatas, and the play. There were sixty-two members in the club this year.

N.H.S.

The National Honor Society, under the direction of Elsie McConville had a very good year. The members worked together with the Key Club at the concession stand during football season. In March new members were inducted and the annual Easter Candy Sale got underway. At the end of the year, NHS. awarded two scholarships to deserving seniors. Nineteen eighty was a very good year!

This year's publications class had a lot to do. We went selling advertisements in the summer and early fall in order to raise money for the Yearbook. The rest of the year was spent working and trying to improve our work. We, the annual staff, hope that everyone who sees our 1980 Yearbook enjoys it as much as we have.

The 1979-80 Chorus and Ensemble of Crestview High School pulled off another great year. It began with our Christmas Concert which we performed for the public and for the high school and elementary student body. After this concert our soloists worked hard on their competition music for the County Music Festival. Time past quickly and it was soon time for our musical, *Wheels*, in which every member exercised their musical capability to the fullest. It was a fine performance by all! The year ended with our Spring Concert and music awards banquet. The 1980 graduates of Chorus and Ensemble also sang at their graduation commencements.
